The Ford sideswiped the Driskell vehicle, hit a concrete abutment head on, umped the abutment and rammed into a pole, then settled back against another concrete abutment. Lotspeich came out of the accident with only a bruised elbow, but told state police he was sure he was saved from serious injury or death by the safety belt in his car. The belt kept him from being thrown through the windshield. Mrs. Driskell was shaken up and taken to Lightner hospital where she was treated for shock. The Lotspeich automobile was badly damaged and all four tires blew out. The Driskell car was damaged on the left side.

farm program.

The organization's board of directors Friday called upon its member bureaus in 48 states and grades for wheat. Puerto Rico to consider the plan in preparation for the 1955 convention in Chicago in December.

The directors said a new approach was needed to the farm surplus problem "because of the failure of present farm programs

to effectively control production." The "soil fertility bank" program calls for farmers to take a certain percentage of acreage out of production and devote it to soil-build ing crops or other conservation treatment. They would be paid a rental or lease fee by the federal government. The plan was endorsed in gener-

Luke 2:1-40 for behold, I bring you good tid-ings of great joy, which shall be to all people." (Luke 2:10)

INTRODUCTION: This lesson has the ring of Christmas about We usually use this scripture text at Christmas time. However, this is not our Christmas lesson. There is a real lesson here for us

With this lesson we begin a six months study of "Luke's story of our Lord." These next six months should give every one of us a rather complete understanding of the gospel of Luke. Next week we will study the boyhood of Jesus. Then we will study his baptism, his temptations in the wilderness and his mission. These four subjects will be discussed during October. Today we study Jesus' birth. He

came to offer himself to be King of the Jews. "He came unto his own, and his own received him He came to die as our Sav- II JESUS VISITED BY or. This he did willingly. Let us

THE CHURCH FOR ALL . . .

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should

survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and ma-

which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
